## *Message from President~ Craig Bohn*

---

Recently, RCC hosted a fundraising event for the Aransas County 100 Club to benefit our local Police and Sheriff Departments. The event was held on a Monday when the course was closed so 100% of the proceeds were given to the organization to help our local heroes. As always, RCC showed its generosity and we were able to raise over \$11,000 in one day. What a great membership and **Thank You** to all who participated.

Now mark your calendar for Monday, November 16<sup>th</sup>. RCC will host our first annual golf course improvement golf fundraiser. This event will be a four person scramble starting at 10:00 AM. Like the fundraiser for the 100 Club 100% of monies raised on this day will go towards the purchase of golf course equipment or a special project.

Entry fee for this event will be \$50 per person which includes your round of golf, lunch, prizes and fun with your friends. You may also donate more to support the program if you wish.

As always, thank you for your continued support.

October is here and the weather has been GREAT for all outdoor activities. I hope you have had a chance to enjoy some of the cooler temperatures. As we enter into the Fall Season many have asked about seasonal parties and or Thanksgiving at the club.

We will be offering Thanksgiving at the club this year. We are still working through the details on spacing and capacity however we will be offering Thanksgiving lunch for the membership. More details to follow in the coming weeks for this special event.

If you haven't noticed we are now offering a "Take and Bake" program at the club. This home style cooking offering is designed for you to enjoy at home at your convenience. Packaged to refrigerate or freeze for a later time this program works well for those evenings when the club may be closed or you simply would like to stay at home.

It also would work great for any private gathering you have at home, church or other social gathering. Let us know and we can prepare this "Take and Bake" or other specialty dishes for those special events coming your way this holiday and fall season.

## Golf Operations~ Thane Emerson

*It seems the pandemic has put our monthly face to face meetings on hold. In lieu of the October face to face meeting we are trying something new. Barbara Gurtner has graciously proposed a 'ZOOM' virtual meeting on Friday, October 9th at 10AM.*

*The ZOOM connection can be accessed from your cell phone, home, office, or wherever you may be, NOT THE CLUBHOUSE.*

*In order that we will feel assured on what we are voting on, she will present information on the proposals and finances. These proposals will be on the ballot on November 3rd. The virtual meeting will consist of a presentation with questions and answers.*

## Course Update~ Derick Hashimoto

---

October is here and your golf course maintenance team is prepping the golf course for the fall and winter. We will be over seeding the tees and driving range tee with rye grass. this will allow us to have good tee playing condition all winter long. We are also patching up the wear areas on hole 1,9,6 and 18. To do this we are removing six to eight inches of bad material and bringing in good material. The sod will be coming from the start of nine fairway. This will allow us to move paspalum which is more of a salt tolerant grass into an area where we struggle with salts.

We will also continue to work on these high focus areas

- Removal of the St. Augustine grass from the playing areas. This will be a slow process before it is all gone but we are working towards that goal.
- Continue to work on the weak turf areas on the greens, tees and fairways. These areas are getting a heavy dose of fertilizer to assist the process
- We will continue to manage traffic control ropes in the playing area to assist with the grow in

Finally, we need your help in assisting us with cart traffic. With the single cart use program, we are seeing more areas on the course showing signs of the additional cart traffic. PLEASE avoid weak areas and PLEASE observe all cart rules throughout the course.
