KIDS CLUB

A MESSAGE FROM:

Lynn Ross

Why is this the Place to be? Take a look around and smile. Listen to the melodies of the water fall. Delight in the burst of laughter from the kids of all ages on the water slide. Ice cream and kids? I guarantee at least one chin will get dabbed.

This is your Place. A kids' club, state of the art fitness center and an aerobics studio. Give Chad, our personal fitness trainer, a call at (304) 639-3848 for a lesson. Come and see neighbors and new friends gathering at the Café for food and libations.

Are games your thing? Try volleyball, tennis, pickleball, or basketball.

Or if you're in store for some nice R&R, get a massage and a facial at the Spa. Reach out to Jason and schedule an appointment at (877) 218-7208

Membership cards will be required to use the facilities. Further details on acquiring your membership card will be provided in the near future.

I am excited and proud to be your community manager. Please join me in welcoming these other fine members of the team:

- * Megan Kuch, Café Manager*
- * Jennifer Nakata, Kids' Club & Activities Director*
- * Scott Johnson, Facility Manager*
- * Tim Master, Aquatic Director*

We've assembled a great team. Our goal is to make your time at the Place feel like a luxury vacation, regardless if you're a full-time or part-time resident.

Welcome to your home. The Place to be you.

Lynn Ross, your community manager
