

CRRL General Information

Golf Season: Our golf season begins March 1st and ends November 30th. This matches the score posting season for our Pacific NW area.

Wednesday Games: Our ladies day at CRR golf course is Wednesday. On Wednesday the ladies club hosts a special ladies event or a regular golf game (RWG) event. The Games in the months of March and November are not payout games. Weekly games will be posted on our website (<http://crookedriverranchgc.com/-crr-ladies-club>). Our shotgun start times vary each month and are posted on the website.

From April 1st through October 31st, regular weekly games are listed on the calendar as 'RWG', or Game of the week 'G', or Special Event 'SE'. Usually the games are offered as both an 18 hole or 9 hole game unless a Special Event is occurring. Ladies may choose which they desire to play. The play day costs for these games is \$5 for 18 holes or \$3 for 9 holes. The payout fund is based upon the number of players and games rules for that week. Postable (P) scores for play days games will be posted to GHIN by the Play Day Committee using the Golf Genius software.

Play Day Procedures: The play day chair begins to make the final pairings for the Wednesday game on Tuesday at noon. Players must sign up online through Golf Genius. If a new player, instructions for signing up to play using Golf Genius will be provided by the play day committee. It is the ultimate desire of the group that everyone who wants to play is allowed to play. If players cancel at the last minute, they must call or text the play day chairperson. Please be courteous and give as much time as possible when canceling.

Play Day Pay Bags: Each tee box pairing group is given a play day pay bag. In the bag is the official game score card. Each player places their play day fees in the bag. At the end of the day's game, the bag with completed and signed score card and fees is dropped off at the club house desk for the play day chair to pick up.

Scoring the Game: The pairing group's score card is the official game card. It must be signed and attested before it is turned in for scoring. It is highly recommended that each player keeps a copy of their own score for attesting. Each player is responsible for the correctness of the score recorded for each hole on the scorecard. The actual score must be used for the tournament score (Golf Genius uses the appropriate equitable score for posting).

Meeting Day and Games: Members are encouraged to attend the club meetings. Each meeting provides information and an opportunity for you to help plan events for the club. The game on meeting day shall be 18 hole only, allowing players to finish at the same time, in order to facilitate meeting attendance.

CRRL General Information

Speed of Play: You are expected to play 18-holes in 4 hours and 20 minutes or an average of thirteen minutes per hole. The goal is that your group keeps pace with the group in front of you, not the group behind you. Use the following tips:

- Limit your practice swings to one per shot.
- Put your clubs away at next shot if in a cart.
- If your foursome falls behind, two players can go to the next tee box and tee off.
- Watch your shot and your playing partners' shots until they land and mentally mark the location where the ball lands.
- A player is allotted 3 minutes to look for a golf ball. If not found in that time frame, it is deemed lost.
- If in doubt as to whether a ball is lost or out of bounds, declare and hit a provisional ball.

Special Events: The CRRL hosts special events throughout the season. The details and costs vary for each event.

- **Annual Ladies Club Championship** is held at the end of summer to determine the yearly 9 Hole and 18 Hole Gross and Net Champion. The event is contested over 2 days and participants must play both days. Participants must have an established handicap and pay an entry fee. The club pays out prize money in all flights. (C)
- **CRRL Member-Friend Event** is hosted for lady players with established handicaps to play at our golf course. Teams can consist of any number of CRRL Members and/or Friends. Guest players may create complete teams of four or join with CRRL players to create a team. This event is usually held in August.
- **CRR Golf Course Maintenance Staff Luncheon** is an annual event to honor the extraordinary work of our greens keepers and takes place as a potluck in the Fall.
- **Women Host the Mens Club** every other year the CRRL Golf Club hosts a 4 person scramble event. This is a fun opportunity for the men and women to play together in a relaxed, low pressure golf activity. The mens club alternates hosting this event.
- **9 and 18 Hole Visitations:** Visitations are an excellent way to play other courses at a great price and to meet new players. It is important to sign up and pay well in advance as deadlines are imposed and these events fill up quickly. Sign up sheets will either be posted in the Computer Room or on Golf Genius. Checks for these events should be made payable to CRRL and must be submitted at the time you sign up.
- **Sr. Ladies (COSWGA):** Central Oregon Senior Women's Golf Association is open to women aged 50 years and older from the participating clubs. There is an annual \$125 fee to play in the tournaments. Each match at 10 different clubs averages \$45 and includes green fees, cart, practice balls, breakfast, lunch, and prize money. Prizes are awarded in Gross and Net in 4 flights. Contact the Sr. Ladies Rep if you have any questions.
