

# **PHEASANT RIDGE GOLF CLUB**

## **WEDNESDAY NIGHT LADIES LEAGUE**

### **TEAMS**

You will sign up with a partner. The league dues are \$80.00 per person which will pay for the year end banquet and prizes. **We must receive the league dues before league play starts. The Eighty-dollar dues will not be refundable after the first week of league.** The price of \$18.00 will be due each Wednesday for greens fees.

### **TYPE OF PLAY**

We will be using the match play format. Each match will be played for a total of nine points. Each hole will be worth one point. A “show-up” point will also be awarded to the team as an incentive if both members of the team “show-up”.

### **“SHOW-UP” POINTS**

If a team is forced to play a match with one player or the team recruits a substitute, the “show-up” point will be cut in half.

Additionally, no “show-up” point will be awarded to a team that has recruited two subs to play a match. A match can still be played by a team that recruits two subs providing that certain etiquette is followed in making match arrangements. If proper notification is given to opponents about whom they will be playing and what time the tee time will be, then the opponents will be obliged to play the match. If the arrangements are not satisfactorily arranged, then the team may elect to play a randomly drawn card from league play that night. **It is not up to the Pro Shop or anyone else running the league to find substitutes.**

### **SUBSTITUTES**

If a player is unable to make a match, the team is encouraged to find a substitute to fill in. The sub must have an established handicap. Substitutes will also be eligible for the weekly prizes.

## **MATCHES WITH A NO SHOW TEAM**

When a team is scheduled to play another team that is unable to make it and can't find any subs they will be randomly drawn to play another team that is playing that night. The team that did show-up that night cannot receive less than 4.5 points (plus show-up points) but can earn more with matching of the cards. It is strongly encouraged that if you know that you are going to be out that you try to make arrangements with your opponents to play at an earlier time or find a substitute. If a team is unable to make a match and they have not found substitutes or pre-arranged for an earlier time to play they will receive zero points for that match.

## **FINAL STANDINGS**

A final order of standings will be established at the season end of scheduled matches. The league champions will be the Team that finishes with the most points at the end of the season. Any Ties in standings will first be broken by team show up points. If there is still a tie, then we will go to previous head to head match point totals. If there is still a tie, we will draw a random week of matches for total points won.

## **SCHEDULED TIMES/RULES**

Times will be posted by the first week of matches for each team's arrival. Please check the website to see when your opponents arrive. There will be a 15-minute grace period allowed for being later than your scheduled time. If you are going to be late for any reasons call the Pro Shop so they may notify your opponents. The opponents may elect to play if the 15 minutes has surpassed regardless of whether you have called. If this is the case, then you may still "catch up" to them and continue playing out the rest of the holes. You must start on the next tee from the hole they are currently playing. You will have lost whatever holes that they have completed.

## **STANDINGS**

Results will be posted each week to inform everyone as to the standings. Match scorecards must be handed in to the Scorer each week. **Failure to hand in a score card with will result in no points awarded.**

## LEAGUE HANDICAPS

The first week of league will be used for coming up with the first average. For new members your first week score and any scoring information given will be used to come up with a beginning average. When scoring for league averages a **maximum of 10** can be taken on any hole. Averages will be updated and calculated weekly.

## STROKES

Players will stroke off the player with the lowest average in the foursome. Players receiving strokes will get 50% of the difference between averages. Score cards will be marked and stroked by the Pro Shop and can be picked up during check-in. **The maximum number of strokes any one player can receive is nine.**

## SCHEDULE

Matches will be played on Wednesday evenings. The tee will be reserved from 3:45 p.m. to 5:00p.m. The tee will be on a first come/first serve basis when your whole group has arrived.

A schedule of matches will be posted online. A list of participants with phone numbers and tee-times will also be posted. If a match is a wash-out, it will not be rescheduled unless otherwise determined by the League Committee. **If severe weather or the golf course becomes unplayable and it is officially called. Then all matches must have finished for it to be considered an official league night.**

**If both teams in match group decides to quit their match early and it has not been officially called off, then the points will be calculated on the number of holes they completed and show up points will be awarded.**

## . RAIN-OUT POLICY

A greens fee credit will be issued to any player who has not finished 6 holes of a round. If a player has finished 6 or more holes, then a green fee credit will not be issued.
