**THE COURSE IS CALLING.** At Dismal River Club, we offer links golf at its purest level. Our championship-caliber courses feature fescue fairways, bent grass greens and tees with sweeping views that promise to challenge and reward even the most seasoned golfer.

---

You'll find the ever-changing wind blows from every direction, influencing the contours of the bunkers and the selection of your golf club—a morning 9 iron may become an afternoon 3 iron. Every day is different.

The White Course, a Jack Nicklaus Signature Design, offers elevated championship tees with magnificent views in every direction. Playing 7,353 yards from the tips, this Par 72 offer 18 unique holes. The combination of links golf and panoramic views provide a perfect complement to Doak's Red Course.

The Red Course, designed by Tom Doak, is a Par 71, spanning nearly 7,000 yards from the back tees. On the 18th hole, be sure to pause and take in the vistas of the Dismal River and the 400-foot sand dunes. Ranked by Golfweek as a top 30 modern course, it is said that playing this Renaissance design is more than just golf. It's an emotional experience.
