CHECK IN:

-There will be a table set up outside where you will check in with Katie Friday and Saturday.

SATURDAY & SUNDAY ROUNDS:

-You will be given a GGID # to access your starting hole and the fields results online at golfgenius.com to avoid a gathering around a scoreboard.

DRIVING RANGE:

-We will only allow so many people on our range at a time. Spaces will be made to maintain social distancing.

FOOD:

-Meals will be given in a to-go form. While phase two approaches and some seating will be available inside our clubhouse, outside seating will be made available while keeping social distancing but all food will be served in a to-go form.
