However, the Board of Directors has a payment plan for your 2023 Membership so that you do not have to pay everything in one lump sum. The following payment plan still would need to be paid by March 15, 2023, at the latest or if the golf course is open sooner you need to pay it before you can play. So here is the breakdown per month for January, February, and March (or close to these dates). You can pay over 3 months:

Single: 3 months - \$255 + \$255 + \$255= \$765.00

Couple: 3 months - \$350 + \$350 + \$350= \$1050.00

Family: 3 month - \$405 + \$405 + \$400= \$1210.00

The cart storage fee will now be \$500.00 per space and that gets you two riders under that fee. If you want additional users of your cart that fee is now \$100.00 per person. The yearly lease for use of MVGCC carts will be \$700.00.

Also, the Montana State Golf Association has raised their rates so the Handicap Fee will go to \$40.00 even if you get your Membership early this is the rate that you will need to pay. This rate has gone up due to the MSGA raising their rate.

If you are playing any of the Leagues (Men, Women, Mixed) you will need to have an MSGA Handicap. Also, if you have a child that is under the age of 18 you need to get them a Handicap started, **IT IS FREE** for them!!!! Annual League meetings will be at the Clubhouse starting at 6:00 PM on the following dates:

Men's League will be on Monday April 10, 2023.

Couples League will be on Tuesday April 11, 2023.

Ladies League will be on Wednesday April 12, 2023.

The 2023 Tournament schedule is complete. You will be able to find a copy of the Tournament Schedule in the Golf Shop and on the Website.

Please check out our website at mvgcc.com as there is an Events Calendar and you can see what is going on at the Club and what time the Clubhouse will be open. All the rates and Tournaments are on the website. We will put all League schedules and results will be on the website.

When you fill out the 2023 Membership form, please write so that the staff can get the correct information and the correct spelling. Also please put your email down since we will start doing our communication through email. Items that we will start emailing are Monthly Newsletter, any information on changes at the Club and, if we are going to have a lunch or dinner special. We also have a Facebook page (Marias Valley Golf & Country Club) for you to follow as we also post items there.

The Board of Directors also has continued the Pre-Pay to your account. Here is the breakdown for additional benefits to the Pre-Pay if added to the account after January 1, 2023, and prior to March 15, 2023.

\$0 - \$299 get an extra 5% added on

\$300 - \$500 get an extra 10% added on

\$501 and up get an extra 15% added on.

This year we will have a Range Fob that you can put money on that and head straight to the range and get your buckets there. Range Baskets are now \$5.00 for a small, \$7.50 for a medium and \$10.00 for a large. You can put any amount on the Range Fob that you would like. The Fob will cost you \$5.00, and you can fill it as often as you want. If you get the Fob before April 15, 2023, you will get an extra percentage put on your Fob. And that is as follows.

\$0 - \$75 there will not extra added

\$76 - \$150 you will get an extra 5% added on

\$151 - \$300 you get an extra 10% added on

\$301+ you will get an extra 15% added on

Also please remember that we have the Trackman Simulator that has available times. Give us a call to set up a time to come play. The Fee as a member is \$25.00 per hour and nonmembers are \$30.00 per hour. The fee is by the hour not by the number of people, however the more people that you have the longer it will take to play 9 or 18 holes.
