On Saturday and Sunday play, August 24-25, 2024, the player will simultaneously compete in the International Team Competition (if an official member of the country's team), qualify for the 16-man Maytag Championship Flight and the 16-man Evans Flight, and participate in the President's Medal Competition – a stroke play event with awards to the 1st and 2nd low gross and 1st and 2nd low net winners in age groups (approximately 55-59, 60-64, 65-69, 70-74, 75-79 and 80 and over). The French Super Senior Trophy will be awarded for the over 75 medalist.

The 16 players with the lowest qualifying gross scores will constitute the Maytag Championship Flight and the next 16 lowest qualifying gross scores will comprise the Evans flight, playing at scratch. The Committee may decide to play the third flight at scratch or with handicap, depending on the number of entries and handicap differentials. The remaining players will be placed in flights of 16 by handicap, beginning play on Tuesday, August 27 through Friday, August 30, 2024. These flights will play to 100% handicap differential. The Tournament Committee reserves the right to make adjustments to handicaps. Spikeless or soft spike shoes must be worn.

A player new to the World Senior Golf Championships must have a handicap index of 20 or less. The maximum handicap that may be used in competition is 36. If a player has a handicap greater than 36, it will be adjusted from the beginning and he will be required to commence play at a 36.
