## CLUBHOUSE

At the center of the Golf Course is our fully functioning Clubhouse with the Bar & Grill. Known to the patrons as "The Shack" this section of the clubhouse hosts a full Bar along with dining room seating up to 40 people. The seating inside is a great option for private parties and dinners, especially when the weather doesn't cooperate.

## PARKING

Upon entering the property, we have a large parking lot that can hold up to 80+ cars. In the event that more parking is needed, we have plenty of overflow space for all vehicles.

## THE CART BARN

This open concept barn mainly functions as parking for our golf carts but can be transformed into a beautiful venue for all occasions.

## PATIO

Our most popular spot at the Clubhouse is our newly renovated outdoor patio which seats up to 30 people comfortably. On warm summer nights, there's no better place to enjoy a beverage and some delicious food.
