Golf Cart Covers****IMPORTANT

It's Spring! Time to get those cart covers put away for the season. The Pro Shop needs everyone to pick up their covers. If your cover is not picked up the club *will not be responsible to any loss or damage*. Please make arrangements to pick up your cart cover by calling the pro shop or stopping by the club.

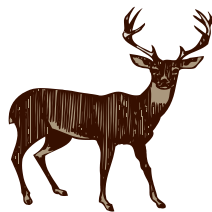

Member Guest September 24-26

Mark your calendars for the premier event of the year. It will be here before you know it. On the Lee's Hill Website is a large button on the home page. All the Member Guest information for entry and sponsorships are listed also available in the foyer, are copies of the sponsorship flyer

Joggers, Walkers & Site Seers!!

The golf season is here and we are all excited. With it comes all the beauty that is a golf course! While we do appreciate our many joggers, walkers, dog walkers and site seer, we ask that they would use the community paths instead of the golf course cart paths

Dress Code Beginning April 1st

During the off season we have relaxed the denim policy. Beginning April 1st the no denim policy will be enforced. Proper attire is required at all times while on property. While on the golf course, "soft spikes" or non metal spikes must be worn at all times. All shirts must have a collar. Neither jeans nor denim pants are allowed at any time. Your cooperation and support is appreciated

Range Closing

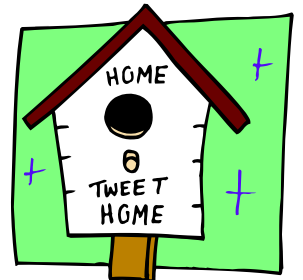

The Driving Range will close on **Wednesdays at 5:30 pm** for maintenance and clean up..

Turf Talk March 2021

Our strategic brush trimming efforts are nearing completion. The final project was the native area on # 14. These areas must be trimmed on a yearly basis to maintain the playability and the aesthetics of the hole. Left untrimmed over the winter, these areas have a tendency to grow out of control. They not only obscure portions of the hole, but can also result in limited shot making potential.

In addition, pre emergent herbicides have been applied throughout the property to limit weed populations and improve turf quality. Tee markers have been painted, and we are currently working on refurbishing trash can receptacles and 150 yard stakes.

Our bird houses are currently under construction thanks to **Jim Matthews**, one of our course volunteers. We will be installing a variety of houses for different species upon completion next month.

Grass mowing season is almost upon us as the weather warms up. We look forward to seeing you often this spring!

John Burns, GC Superintendent

90 Degree Cart Rule: Important (please read)

At this time of the year, it is **extremely important** to enter the fairways at 90 degrees to the ball from the path in order to help not wear out the turf at the beginning of each fairway once leaving the tee box. We are noticing an abundance of wear in these areas and we want to avoid putting up ropes/signs in order to keep carts from damaging the turf further. Your help and attention to this matter is most appreciated

****Take Care****
Fix ball marks, 90 degrees,
Trash in cans
Pick up used Tees
