### Joggers, Walkers & Site Seers!!

The golf season is here and we are all excited. With it comes all the beauty that is a golf course! While we do appreciate our many joggers, walkers, dog walkers and site seer, we ask that they would use the community paths instead of the golf course cart paths

### \* Speed Limit 25 mph \*

For those that use the On Line Booking link on our website:

- Going forward there will be a surcharge for booking tee times on line  
This is to the public and not our members provided we have your email uploaded and marked as a no charge.
- To **avoid being billed** for this as a member you need to Let us know  
You use this function we can then filter you out and you will not be billed for This registration/convenience fee when booking tee times on line.
- This only applies to On Line Booking tee times and does NOT apply when calling in your tee times.

If you have any questions, call or email; Jamie or Cindi.

### TURF TALK

As the bermudagrass emerges from dormancy, we will begin to fertilize and aerate tee tops and fairways. It appears that we have experienced some spring dead spot but these areas should recover quickly with fertilization and warmer temperatures.

Greens are healing nicely from a recent verticutting and topdressing. Fertilizer and micronutrients have also been applied to optimize the spring growing season. Annual soil and water testing has been performed to help us tailor our agronomic programs for the season.

Course amenities have also been installed on the course. These include, refurbished ball -washers and water cooler stations, 150 yard marker poles, cart directional signage, new trash cans and several new driving range mats. Club house signage, cart barn trim and scoreboard painting will take place as soon as conditions permit. Looking forward to seeing you more often as the weather improves!

John Burns, Superintendent

### No Fishing!

While we understand the ponds are very attractive to those that like to fish, it is very dangerous to fish on a golf course. No Fishing is allowed and if you see anyone fishing, please report it to the Pro Shop. The Golf Course, Lee's Hill, accepts no liability to those that get injured while fishing on the golf course.

### 90 Degree Cart Rule: Important (please read)

At this time of the year, it is **extremely important** to enter the fairways at 90 degrees to the ball from the path in order to help not wear out the turf at the beginning of each fairway once leaving the tee box. We are noticing an abundance of wear in these areas and we want to avoid putting up ropes/signs in order to keep carts from damaging the turf further. Your help and attention to this matter is most appreciated

**\*\*Take Care\*\***  
**Fix ball marks, 90 degrees,**  
**Trash in cans**  
**Pick up used Tees**
