## No Fishing!

While we understand the ponds are very attractive to those that like to fish, it is very dangerous to fish on a golf course. No Fishing is allowed and if you see anyone fishing, please report it to the Pro Shop. The Golf Course, Lee's Hill, accepts no liability to those that get injured while fishing on the golf course.

## 90 Degree Cart Rule: Important (please read)

At this time of the year, it is **extremely important** to enter the fairways at 90 degrees to the ball from the path in order to help not wear out the turf at the beginning of each fairway once leaving the tee box. We are noticing an abundance of wear in these areas and we want to avoid putting up ropes/signs in order to keep carts from damaging the turf further. Your help and attention to this matter is most appreciated

## Speed Limit 25 mph

Attention all guests, employees and visitors of Lees Hill. Golf Club, please adhere to the **25mph speed limit on Old Dominion Pkwy.**

## Joggers, Walkers & Site Seers!!

The golf season is here and we are all excited. With it comes all the beauty that is a golf course! While we do appreciate our many joggers, walkers, dog walkers and site seer, we ask that they would use the community paths instead of the golf course cart paths

## Donation Bin for area Rescues

Let's not forget our furry little friends. One can at a time. Could you just imagine if each person brought in one can of cat or dog food how much that would help the shelters. Towels, blankets, pet supplies, food dry or canned & newspaper. The bin to drop off your items is located in the grill. **Thank you** to all those that put stuff in the bin throughout the year.
