Attention all guests, employees and visitors of Lees Hill. Golf Club, please adhere to the **25mph speed limit on Old Dominion Pkwy.**

90 Degree Cart Rule: Important (please read)

At this time of the year, it is extremely important to enter the fairways at 90 degrees to the ball from the path in order to help not wear out the turf at the beginning of each fairway once leaving the tee box. Your help and attention to this matter is most appreciated.

Joggers, Walkers & Site Seers!!

The golf season is here and we are all excited. With it comes all the beauty that is a golf course! While we do appreciate our many joggers, walkers, dog walkers and site seer, we ask that they would use the community paths instead of the golf course cart paths

Donation Bin for area Rescues

Let's not forget our furry little friends. One can at a time. Could you just imagine if each person brought in one can of cat or dog food how much that would help the shelters. Towels, blankets, pet supplies, food dry or canned & newspaper. The bin to drop off your items is located in the grill. **Thank you** to all those that put stuff in the bin throughout the year.

****Take Care****
Fix ball marks, 90 degrees, Trash in cans
Pick up used Tees

TURF TALK

Turf Talk May 24,2022

Summer has finally arrived, well sort of. Inconsistent weather has led to wild temperature swings, which is not uncommon for our area. Forty degree night time temps have given way to near record highs in the mid nineties.

As our temperatures increase the volunteer bluegrass populations will gradually diminish and the fairways and tees in particular will smooth out with more consistent bermudagrass growth. Course fertilization went well . This application will provide steady feeding throughout the early summer months, promoting consistent Bermuda growth as we transition to warmer weather.

On the Audubon front, several of our many bird houses are now inhabited by various bird species. Our newest edition, the purple martin house, located near the pump station on hole 18, has new residents as well! Thanks again to Jim Mathews for assembling these outstanding houses.

As play ramps up, please remember to adhere to cart rules, repair ball marks, fill divots, rake bunkers and dispose of trash properly. Being a good steward has a tremendous impact on course conditions. Please respect the course and enjoy your round. Looking forward to seeing you often this summer!

No Fishing!

While we understand the ponds are very attractive to those that like to fish, it is very dangerous to fish on a golf course.

No Fishing is allowed and if you see anyone fishing, please report it to the Pro Shop. The Golf Course, Lee's Hill, accepts no liability to those that get injured while fishing on the golf course.
