### **No Fishing!**

While we understand the ponds are very attractive to those that like to fish, it is very dangerous to fish on a golf course. No Fishing is allowed and if you see anyone fishing, please report it to the Pro

Shop. The Golf Course, Lee's Hill, accepts no liability to those that get injured while fishing on the golf course

### **PGA Jr. League**

PGA Jr. league season. Lee's Hill is signed up again as a participant for the upcoming fall season. Player registration is scheduled to open middle of July. Please register at [pgajrleague.com](http://pgajrleague.com).

Call Jamie at 540-379-8802 for information about the PGA Jr. Fall league. (Sept-Oct).

### **90 Degree Cart Rule: Important (please read)**

At this time of the year, it is extremely important to enter the fairways at 90 degrees to the ball from the path in order to help not wear out the turf at the beginning of each fairway once leaving the tee box. Your help and attention to this matter is most appreciated

### **Turf Talk August 22, 2023**

As the long, hot summer comes to a close, the staff at Lee's Hill is preparing to revitalize the course for the fall golf season.

Heavy rainfall, combined with prolonged periods of dry, hot weather have taken a toll on many courses throughout the area. Diseases have been widespread and persistent, as has the thermal boiling of root zones on putting greens following excessive rainfalls.

Now is the time to restore the course to the conditions that we have come to expect. The entire course will be fertilized to improve turf density and enhance winter hardiness as we move into the fall. Bare areas in collars and approaches are currently being aerated and seeded to enhance turf coverage. Turf samples from several greens have been sent to the plant pathology laboratory to determine future treatment programs as we commence our grow in. The putting greens will be lightly vertical mowed to provide adequate seed to soil contact and slit seeded with bentgrass, then topdressed to ensure recovery this fall.

We appreciate your patronage and support as we embark on our renovation project. Looking forward to seeing you on the course this fall.
