Ladies League 2021

It was wonderful to get back into the “swing of things” after a year of covid issues. We had 25 members this year which included 3 new members. Our game schedule featured several special games this year. Our annual “Pink Ball” game in which we all wore pink for that day. “Animal” was a new game introduced this year and now the “Ryder Cup” day where we are evenly divided into two teams based on handicaps—USA and Europe! Our League Championship was on September 15th. As of September 15th, there were a total of 334 league rounds played, 72 birdies, **EAGLE this year made by Carol Driscoll** and 29 chip-ins! The year isn't over yet and we still have a month's worth of golf to play. Our annual League Luncheon and Awards Ceremony is scheduled for October 13th and the annual “Halloween costume” golf scramble is October 27, our final official play date.

Men's League 2021

The Men's Senior League wrapped up another covid shortened season with a respectable 6-8 record barely missing the playoffs by a few putts here and there. We had over 30 Lee's Hill men participate as we played 7 other area courses. Everyone had a great time and enjoyed the competitive match play format. Next April we start again with hopefully the usual 10 teams. We're always looking for new players so if interested contact Rick Gray at rgno3putt@aol.com. Must be over 50 yrs. old and maintain an accurate handicap, all skill levels invited. Keep playing and posting.

Turf Talk

Another summer comes to a close and with it more comfortable fall temperatures. On the course we have been busy readying the turf for the inevitable transition to cooler temperatures. Several applications of soil amendments have been applied to greens to replenish them after another challenging summer. The fairways tees and roughs have been fertilized with a potassium based product to help the bermudagrass better cope with winter stresses by hardening off. Potassium helps to reinforce the plant cell walls resulting in healthier turf.

Please continue to adhere to the posted cart traffic rules and always repair divots and ball marks. Quality course conditions depend on everyone doing their part. Thank You again for your cooperation.

We'd like to introduce our new maintenance employee. Her name is **Pretzel**.

She is an Australian Cattle Dog mix and is in training to chase geese on the course. So far she has done pretty well and shows great enthusiasm for her new job.

We look forward to seeing you on the course this fall!
