

AUGUST 2022

# Newsletter

## SANTA Sighting in JULY!?!

## Hello Members,

The summer is flying by! We have several great things going on in August, though. Mark your calendar for the 70s night on Saturday, August 6th. Everyone should dress up in their 70s style and join us for a groovy night of music, drinks, and food. We are also having prime rib every Friday night. Please make reservations today. I hope to see all of your faces up here often in August! Lets make it a great month at the HCC!

Thank you!

*Jeana*

## From The Golf Pro

Mark Christensen

Where has the summer gone? It's already August. Teachers and students are gearing up for the new school year. High School golf will be starting soon for the girls in Missouri, and both boys and girls in Illinois. And the golf staff will be transitioning. Charlie, Preston, and Rilee will be heading back to college. They are being replaced by Devin, Olivia, and Augustus and maybe a couple others.

The club was spectacular during the Steamboat Scramble. Congratulations to everyone involved on an excellent event. The volunteer effort was extraordinary, and the profits were a nice bonus.

There will be sales going on in the Pro Shop this month. Hats, headcovers, and tumblers are \$10 off. All Ladies clothing is half price, including the recent arrival of Cutter and Buck.

You'll notice some great looking new Ping bags, and a Ping Fitting system will be delivered soon.

The Tuesday night scramble has reached the point where you must play. The blind skin is worth close to \$1200. Get a partner. A big payday is possible.

I'm incredibly proud of our PGA Jr League team. They've made great strides this year. Alena and Luka Gilmore, Jaxson Jones, and Max and Ella Ricker recently took home trophies from a Junior event held at HCC, and Alena fired a personal best at Deer Run in Hamilton. The future is bright.

Let's have a great August!

**Best Wishes,**  
Mark Christensen
