## HCC UPDATES

Janice Shaw, Board President

**Thank you! Thank you!** What a wonderful turnout we had at our annual "Swing and Splash"! With your generous support, donations and participation, **the Club was able to raise over \$5000 for our patio and pool improvements!** The 9-hole scramble was won in a playoff by the team consisting of Jay, Jimmy, Tyler Mosley and Andrew White and the pool events were a huge hit. It was truly a great day of fun and fellowship for our members.

Hats off to our golf pro, Steve Liter, as he had almost **30 young golfers attend his golf clinic.** Our youth is where the club's future rests. Thank you, Steve, for a job well done.

Since Covid has raised its ugly head again, we are taking steps to ensure the members and staff are safe. **We encourage all employees to get vaccinated, and if they are not, they will be required to wear a mask.**

Our club has several new members bringing our **total membership to 128** not including golf and pool memberships. **We are growing!**

The Board continues to monitor all our expenses and the club is doing well. The 2021 six month financials are available at the club house for your review. As with most restaurants the Club is experiencing staff shortages, higher food and labor costs. We have some large expenditures ahead of us such as the pool improvements, rental house, club house, mowing equipment and extremely high water bills which we are working with the Board of Public Works.

The Board is currently working on a five year long range plan. We are interested in your vision for the future of the club. Please send us your thoughts and ideas.

**The course looks great, the pool is busy, so come out and enjoy all the Club has to offer.**
