Junior PGA Players

Hello Members,

We have a busy month for July. The steamboat scramble is on the 16th and 17th, if you haven't signed your team of 4 up, get signed up right away. Spaces are filling up fast. We are working on some fresh, summer menu items. We hope to see you at the club soon!

Thank you,

From The Golf Pro Mark Christensen

It's been a busy month of learning for the Pro Shop staff. We've met a lot of new people, and are hoping to meet more. My assistants Rilee West and Preston Bennett are logging a majority of the pro shop time. You should know a little bit about them

Preston just finished his sophomore year at Columbia College. He is a 2020 graduate of Hannibal High School. He is on the Columbia College Golf Team. He's a very strong player.

Rilee graduated from Western HS in Barry, Illinois in 2021. He attended Lincoln College last year and played on their golf team. He's transferring to Quincy University in the fall. He recently won the Quincy Mens City Tournament. He beat a very strong field that included Preston. They were tied for the lead after round one with 4 under par scores of 67.

The Steamboat Scramble, slated for July 16, 17, is a huge opportunity to support and promote the club. I encourage the members to form teams that include players from outside the club. This is an opportunity for people to experience HCC. Bring them to the scramble, and then hand them a membership application. If you can't play both days, we will need volunteers to help in several capacities.

Pro Shop Merchandise is on the way. I hope you'll check in often to see what's new.

Our PGA Jr League Team has been competing all month. We've been competitive every time out. They are great kids who really love golf.

The Tuesday night skin game continues to be a very popular event. If you haven't played, consider getting a partner and joining fun.

**Best Wishes,
Mark Christensen**
