As we have done in the past, all season passes will be issued at the pro shop. In addition to the cost of the season pass you will be required to register in the pro shop, show proper identification and pay the greens fee surcharge each time you play.

Proper identification in the form of a valid driver's license and current residential real estate tax bill must be presented to show proof of residency at the time of purchasing your season ticket. Three additional forms of identification may be required for applicant's who do not have a valid driver's license or residential real estate tax bill. Season tickets will only be issued on Tuesday mornings between the hours of 8-12, Thursday afternoons between 12-6, and Saturday mornings between the hours of 8-12, beginning on March 9th.
