Office Tel: 781 326-5717

newenglandgolf@comcast.net

Pinecrest Golf Club is an attractive facility for instruction, clinics, and enjoyable golf with its 18-hole golf course, grass practice range and putting green. In addition to the golf instruction we offer weekly leagues for men, women, and seniors.

Lessons and clinics for children and adults from beginner, intermediate, and advanced, will concentrate on golf fundamentals. You will learn the proper grip, stance, and alignment necessary to make the full and proper golf swing. Each session will include one portion that is dedicated to putting and the short game as well as driving and iron play. Those junior golfers that are planning or already playing on their high school golf team should be working on their golf swing during the summer and not just the week before try outs.

Instruction will be provided by PGA Professional, Joe McKinney. Joe is a past New England *Teacher of the Year* and one of the top teachers in the country giving more than 100,000 lessons over the years.

Some of Joe McKinney's students have won tournaments on the PGA Tour, Web.com Tour, and Canadian Golf Tour. One of his student's has also won four tournaments on the PGA Tour in one year. Another student is the only Amateur to play in the *Masters Golf Tournament* in Augusta, GA four times and make the cut to play all four days! Joe's former junior golfers have received four-year golf scholarships Dartmouth and Davidson among others.

If the following lesson programs are not convenient for you or if you are interested in private lessons or customizing your group lesson please contact Joe directly at mckinney89@aol.com or cell 617-285-2707.
