Move In Day is Coming Quickly!

The Golf Shop will be moving to the Champions Room as we get ready to start the remodel for the Sun Pacific Energy offices in the location of our current Golf Shop and offices. We will be in the Champions Room until our final move into the new

building across the way. The facilities are coming along very quickly as everyone has seen. The target date for Golf Universe to open is early December. Again, that is the schedule. Nothing set in stone yet. The new facilities will be first class and state of

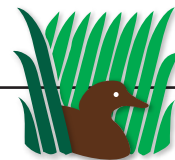

the art for all golfers. It will have anything golf related that a customer could want. Accessories, clothing, clubs and any kind of ball you could wish for will be here and ready to be purchased. To say we are excited is a huge understatement.

Kennewick Irrigation District is Almost Finished

For the last several years we have waited for the canal work to be completed. They are in the last stages of getting the dirt moved to be able to line the last bit of the canal between five tee to the green tees on the sixth hole. As most have seen, the KID

is also finishing the concrete work on the bridges with only the last 3 bridges to be finished. Those will be the bridge from four to five and the two bridges on four tee. While all this work is being done, we will play it as a ground under repair area for

the dirt being moved above the canal. The canal itself is still a red penalty area. Hole five will follow the same rule of any ball hit over the canal will be deemed to be in a no play penalty area. This area extends to out of bounds on the other side of the canal.

2025 McCurley Mazda Men's & Ladies' Club Closing Scramble

We want to congratulate Amanda Atkin, Saluna Campbell, Jan Osborne and Carol Gross for wining the Ladies division with a score of 60. It was too bad that they bogeyed the 8th hole or they would have not have lost to any of the Men's teams.

As it was we had a tie at 59

for the Men's division and want to congratulate Derrick Whitmire, Justin Ratcliffe, Bill Gallinger and Mike Dean who won in a putt off to take the Men's title.

We had 108 players that participated in the event and we want to thank McCurley for their \$1000 sponsorship

and the Men's Club that added \$2000 to the pot and the Ladies' Club that added \$600 into the pot as well.

Thank you to all that played and everyone for a great year in 2025.

From the Maintenance Crew

Please stay on all cart paths where they are provided.

Please keep all four tires on the cart path. Please make sure to replace divots or sand them. Also please help with ball marks as much as possible.

To ensure the best results it is important to keep golf carts away from approach areas to greens. For those that have **Blue** flagged carts, no cart should ever go between a green and a bunker, or between the green and lake on number 9. This will be strictly enforced and understand we need to be consistent with everyone. It might be a few more feet away, but laziness really causes a lot of damage. If everyone does their part, we will see a difference. With most groups going out with member play in four carts it creates a lot of wear on turf during a time it is not growing. The Golf Shop will be talking to those that violate cart usage rules. If you have questions, please see Matt Mandell in the Golf Shop.

Frost Delays Now Part of Daily Play

As we head into the winter season we started having frost delays. Please keep updated by using the website to see if we are on delay or on time. Go to www.canyonlakesgolfcourse.com to get information on whether we are on a delay or on time. It will be a drop box that appears and shows the information.

We Continue to Use Golf Now as Our Online Provider for Tee Times

We continue to check on the ability for our players, both members and public to book desired tee times online. This will have several advantages for both the customer and the players using the website. It will ask for a credit card for everyone. Members will not be charged for any times made

unless they become a no-show issue. All other players will be charged through the website to make it easier as you check in. This new system will allow players to book all their times online. Members must sign up through the portal on the main page of the website. You will have had to have registered

when you signed up with an email address, that way when you attempt to log in on the new members portal it will identify you as a member so you are not paying green fees when you sign up. If you have any issues please see Nick Atkin or Nick Ryther and they can help get you signed up.

GPS and Corporate Passes

GPS Advertising Passes are now sold out. Give Matt Mandell or Nick Atkin a call for the regular Corporate Passes at (509) 582-3736. We only have a few available for 2026. We would like to thank our GPS partners for their support. Both GPS and Corporate passes will have access Monday through Thursday availability all day. GPS Corporate Advertising passes will have access Friday – Sunday during Twilight Hours.
