## Excitement is coming to Canyon Lakes

The owners at Canyon Lakes are making improvements to Canyon Lakes right away.

We are going to be looking at a new clubhouse, remodeled cart barn storage for our carts.

**“But wait, there is more.”**

Golf Universe will be moving from its current location on Edison street, to Canyon Lakes where the current cart barn that houses the Canyon Lakes carts is located.

A beautiful new store attached to a practice green and range to try out the latest and greatest golf equipment is coming as well. New renditions have been attached to each building. Showing the plan for each one. These aren't exact, but show what the basic design will be.

We are planning new concrete paths starting above the clubhouse area and reaching down the hill on holes 1, 9, 10 and 18. A very nice face lift to greet the players as they start and finish their rounds. This amazing plan will be revealed

when it is final.

These improvements will further enhance this already great property. We believe it will stand out as one of the best golf courses to play in the entire Northwest. Everyone will want to play here.

### Golf Now is our new online provider for tee times

Our online tee times are now available to be booked through Golf Now. This will have several advantages for both the customer and the players using the website. It will ask for a credit card for everyone. We have linked the new member portal on the front of our website. Please click the tab and follow the instructions. All other players will be charged through the website to make it easier as you check in.

This new system will allow players to book all their times online.

## 2025 McCurley Subaru Canyon Lakes Best Ball

April 12 & 13

The **McCurley Subaru** Canyon Lakes Best Ball will be April 12 & 13. Tee times both Saturday and Sunday start at 7:00AM each day. Women will be competing in the handicap division and not their own division. We will have 2 divisions provided we get at least 40 teams. No more than a 10 shot spread between partners and we will use the strokes as they fall on the scorecard.

Sign up now. Entries need to be paid at the time of sign up. Remember to put requests for times and pairings on all entries. **McCurley Subaru** is adding \$1,000.00 to the payout. Thank you McCurley Dealerships.

### Tournaments are under way along with 2-Man Tuesday

Two Man Tuesday did kick off March 4th. Same game as always and looking to get started with a busy day and big payout. 2025 Duck Bucks are Pink this year. Remember that to play in the Gross side you and your partners have to be a combined 7 handicap or more.

## 2025 Canyon Lakes Memberships Now Available

2025 memberships are still available. Monthly passes will have no joining fees and will be collected on the *first of every month*. This started in January. At this time, monthly memberships will have to pay the prior months, January, February and March, in order to qualify for the monthly

plan. Presently, it is a better value to pay yearly.

The six month passes will run May 1 to October 31. We have named this the *Prime Season Pass* because you are using the prime months and don't have to pay for the other months.

The *Full Season Pass* will be now through December 31. This pass is for the entire year.

Both of these passes can be paid monthly. The only restriction is that once you have signed up, the payments continue until

that membership runs out. There will not be prorating or cancelation if you sign up for the monthly plans.

Remember, all yearly passes will see a significant savings for paying in full at the time you join. See us in the Golf Shop with any questions.

## Tee Time Policy as of January 1, 2025

We want Canyon Lakes Golf Course to have a strong golf membership but also be more available for public play. As a result, there will be a new policy to open our tee sheet up for more public play. Members will be able to reserve tee times Monday through Thursday 10 days in advance. There will be a change Friday, Saturday

and Sunday from 9AM to 12PM as non-members will have 30 days in advance to reserve tee times and members will have 3 days in advance during the 9AM to 12PM slots.

We will continue to work with members to make sure no times go unused. Members will have the ability

to reserve tee times 10 day in advance for all other tee times Monday through Thursday and on Friday, Saturday and Sunday not between 9AM and 12PM. All this has taken effect.

As of March 28, 2025 we have opened the member portal from Golf Now so that members will be able to book tee times. Instruction can be found on our website.

Please stop by the Golf Shop to see pricing for all of our memberships. We will have price sheets ready to hand out and discuss options for all needs. We are committed to continuing the best customer service and course conditions for all players at Canyon Lakes. You will see improvements immediately on the course as we strive to have the best course in Washington! Change is sometimes hard, but we think this will enable us to service everyone that plays Canyon Lakes.

### Tee Time Availability

Make sure to call in for your tee times or book them online. Understand the mornings are getting squeezed pretty hard. We will do as much as possible to accommodate as many members and public players as possible. If you don't need your tee time please let us know the day before so we can make it available to someone else. This is the time of year that we don't have as many tee times to use and it makes for very packed tee sheet.

## From the Maintenance Crew

We have decided to go back to the Red, White and Blue flags for the remainder of 2025. After a lot of input we have listened and decided to make the change back to our prior flags. We hope everyone likes the change back to the original flags.

**We have listened and decided to make the change back to the prior flags.**

Please stay on all cart paths where they are provided and on all cart paths this time of year. Please keep all four tires on the cart path.

Please make sure to replace divots or sand them. Also please help with ball marks as much as possible and stay out of frost covered areas with carts at all times.

To ensure the best results it is important to keep golf carts away from approach areas to greens. Blue flagged carts, no cart should ever go between a green and a bunker, or between the green

and lake on number 9. This will be strictly enforced and understand we need to be consistent with everyone. It might be a few more feet away, but laziness really causes a lot of damage. If everyone does their part, we will see a difference. With most groups going out with member play in four carts it creates a lot of wear on turf during a time it is not growing. The Golf Shop will be talking to those that violate cart usage rules. If you have questions, please see Matt Mandell in the Golf Shop.

As for the canal work, they are finishing the work on holes 14 - 16 at this time. The last stretch from five tee to six tee will be done when the KID can finish it. We are hoping that will happen next winter. KID will let us know when they plan on returning to finish the lining for the canal.
