Golfers “in the know” about golf in Southern Oregon are privy to the fact that Centennial Golf Club in Medford is a must-play that doesn’t disappoint.

Centennial burst onto the Rogue Valley golf scene in May of 2006, boasting a spectacular 7,309-yard, par-72 layout, designed by two-time PGA Tour winner and 1977 U.S. Amateur Champion, John Fought. The golf course at Centennial was designed in the classic Donald Ross-style and takes full advantage of the spectacular views of the Rogue Valley and the surrounding mountains.

Just last fall, Centennial Golf Club ranked No. 6 in the country in *Golf World’s* Readers’ Choice Awards amongst the “Top 50 Public Courses in the Country.” Centennial debuted in this ranking ahead of notables such as Edgewood Tahoe, Bethpage Black and Trump National Los Angeles, to name a few. In this same national ranking, Centennial also made the top 10 “Best of the Best” list in course condition (voted No.

5) and in quality of course (voted No. 9). The *Golf World* Readers’ Choice Awards recognizes the top public, resort, and private golf facilities throughout the country, with ratings based entirely on reader reviews and input.

Golfers within the region had already come to their own conclusion, putting the Centennial golf experience on a pedestal when they voted the layout as the “No. 1 Best Golf Course” in the region in the *Medford Mail Tribune*.

Located on the former site of a historic pear orchard more than 100 years old, Centennial Golf Club is an affiliate of Medford-based Pacific Retirement Services, Inc. (PRS), and is located adjacent to another PRS affiliate, Rogue Valley Manor. The Rogue Valley Manor is a premier Continuing Care Retirement Community (CCRC) and has received numerous national awards for providing outstanding services to residents and active seniors.

an expansive practice facility and "The Pavilion" clubhouse that is home to the popular Centennial Grille. Centennial Golf Club is managed by industry leader, Scottsdale-based OB Sports (the same management group that runs Tetherow in Bend and Langdon Farms in Aurora).

OB Sports also manages the Manor's public 9-hole Quail Point Golf Course. Quail Point serves up mountain vistas, picturesque ponds and rolling tree-lined fairways. Commonly referred to as "The Best Conditioned 9-hole Course in Southern Oregon," Quail Point is known for its fun-filled layout, mountain vistas, picturesque ponds, and family oriented setting, all at an exceptional value.

And speaking of families, they are going to love the new Putting Course at Quail Point. Currently boasting 9 holes (with plans to expand to 18), this fun-filled natural grass putting course is a perfect venue to practice with the flat stick or settle any bets. The putting course is just \$5 for nine holes and \$8 for 18 (lower rates are offered to juniors, Rogue Valley Manor residents, cardholders and replay rounds).

Both Centennial and Quail Point are located just minutes off I-5, in the heart of Medford, and in the heart of your next golf trip.
