WESTCHASE GOLF CLUB

Westchase Golf Club is a premium daily-fee facility recognized by the National Golf Foundation for its outstanding course conditions, service and value. The CLASP award (Customer Loyalty and Satisfaction) is given to the best of the more than 400 courses that participate in this NGF program. Westchase placed in the top ten of the national rankings and number one in the state of Florida.

Nationally known architect Lloyd Clifton designed our 6710-yard, par 72 course, which winds through natural wetlands, wooden bridges and bulkheads. Called "one of the most beautiful public-access course in the Tampa area," Westchase has earned a high rating from Golf Digest as well as a Great Value award.
