

Message to our members -  
Water will be an ongoing concern for the entire western U.S. during 2021. We are trying to be conservative, during these summer months, by storing as much water as possible for use later this year.

As far as our current usage goes: we've turned off numerous sprinkler heads, or reduced run times, on many areas that are generally out of play. The tees & greens have been turned down slightly but are receiving close to normal water. Some areas are drier than usual, but we want to be conscientious about saving water.

Current water sources being utilized include run-off from the mountains and springs, some wells and some county water - all with varying availability.

We are still confident that we'll be able to keep our course in good, playable condition and not lose any turf before we get relief in the late fall, but we really need a normal winter, with plenty of precipitation, or next year could be a real challenge!

We'll keep everyone updated if conditions change. Thank you for your support of the club, and enjoy the beautiful course!

## Paying Your SWCC Member Account

When you write a check to pay your SWCC account balance, we ask that you include two important pieces of information either with or on your check, so that we can bill your account promptly and accurately. The information we need is:

- (1) the member account number and**
- (2) the primary member name**

If you have auto-payment set up through your bank, please make sure the bank prints your SWCC member number (and be sure to update that number if you change membership type.) If someone other than the primary member writes checks, it's still important to reference a primary member name or the SWCC member number. If there are two primary member names on the account, it would be helpful if they were both referenced.

Our bookkeeper, Kay Abernethy, is great at keeping us organized, but without names or numbers, the payments can't be processed. Kay can be reached in our business office, Monday through Friday (hours vary), and she's more than happy to help: 209-795-1000 **ext. 2.**

Schools are almost back in session and the perfect  
golfing days of August are here. As is the case in most  
years, the midweek afternoons of August and Sep-  
tember are usually wide open for play. Weekends  
however, can still be busy right up through the middle  
of October so be sure to call ahead to arrange the  
perfect tee time for you.

I would like to take this opportunity to remind our  
members that if you cannot honor a scheduled time  
we would appreciate a call, and if possible, 24 hours  
in advance. Also keep in mind that checking in at  
least 15 minutes ahead of your scheduled time is not  
only helpful to us, but can be beneficial to you and  
your guests as well. A little putting practice never  
hurts.

## **Suggestions that will allow for an enjoyable and well-paced round of golf:**

### **Pace of Play**

- ◆ Always keep pace with the group in front. If your group is keeping up, then no one can say you're playing too slow or holding them up.
- ◆ Play from the appropriate tees based on skill level. With young children, have them tee off from a distance from which they can reach the green within four shots. (Junior tees can be from the 200, 150 and 100 yard markers in the fairways)
- ◆ If you are intimidated from a forced carry or tee shot over water, it's ok to drop a ball and tee it up from the other side.
- ◆ Play ready golf. Don't stand around and watch each other. Be ready and focused for your next shot.
- ◆ If you're having a bad hole and have reached a large number of shots before getting to the green, pick up and move to the next hole. You will avoid frustration and have time to regroup for the next hole.
- ◆ Plan on making tee times based on your group's skill level. Beginners, families with young children and groups or couples that enjoy a slower and less pressured pace are encouraged to make inquiries with the golf shop staff as to the best times to play.

### **Tee Times**

- ◆ Members may make tee times two (2) weeks in advance.
- ◆ Please make it a point to cancel a tee time 24hrs in advance. As a courtesy to others if a time cannot be utilized please let us know the day before. If a member continues to ignore this policy, once warned, they may lose their 2 week privilege.
- ◆ Tee time reservations are on a first call basis. Monthly standing times will not be allowed.
- ◆ Only the members themselves may make a tee time for a guest or relative. A member may call the shop in advance to "ok" a call from a friend or relative that will be playing as a guest of theirs.
- ◆ Season-long midweek time blocks will only be held for the Men's and Women's Clubs.
- ◆ Member/Guest outings occurring Friday, Saturday, Sunday and holidays will be limited to 24 players. Advance reservations are required.
- ◆ When making times for one (1), two (2), or three (3) players, be prepared to have other players assigned to your group.
- ◆ Single, walk-on players are welcome but may have to wait until a spot becomes available.
- ◆ Five (5) players in a group are only allowed Monday through Friday, or at the discretion of the pro shop staff. If a five-some cannot keep up with the pace of play, they will be asked to split up.
- ◆ Junior golfers may play without adult supervision only with the approval of the golf shop staff.
- ◆ Always make a point to call ahead when coming to the course without a scheduled tee time.
- ◆ Reciprocal guest play times at our club may only be made one week in advance. A golf membership consists of two golfing members. Children that are under 21 and living at home are included in the membership.
- ◆ Grandchildren of members, up to 16 years of age, will be considered part of the golf membership when playing with their grandparents.
- ◆ Midweek golf memberships are limited to Monday through Friday, and afternoon on Sunday at the discretion of the pro shop. Saturdays and holidays are not allowed.

## **The Sequoians**

*By Chris Gilbrech,  
Captain*

We have had a good member turnout playing on our Tuesday play days this month, despite our unusually high temperatures.

For our awards:

Cyndie Hawkins won our Low Net Charm Girl at our July 6, 2021 play day. Congrats Cyndie!

Team Play Report by Bev Vasquez and Sue Pollak: Our final Team Play round took place at Sequoia Woods on Tuesday, July 13, 2021. The Sequoians hosted teams from Merced, Del Rio, and Brookside. The four teams have been competing since May. Merced and Del Rio will have a play off to determine which team will play the winner of the other division which includes Oakdale, Pine Mountain Lake, and Spring Creek/Twain Harte.

Even though the Sequoians did not come out on top, our team played very well in competition. We want to thank all the ladies who got up at 4:30-5:00 a.m. to travel to the valley to represent our club: Cyndie, Cathie, Kayleen, Kathy, Sue P., Pat, and Shirley. We also appreciate the ladies who marked for us: Shari, Stell, Shirley, Anne, Julie, and Susan H. A special thanks to the "bag boys" for making sure all the clubs were loaded and ready to go. Thanks Tom, Sid, Guy, and John. The Sequoians have been participating in Team Play for over 20 years. We hope this event will continue in years to come!

## WOMEN'S 18 HOLE CLUB

*by Sharon Tussy, Captain*

July is always a busy month for women's golf at Sequoia Woods!

July 7<sup>th</sup> marked our fourth Low Gross/Low Net event of the season. Congratulations to Sherry Westernoff who was our Player of the Month with a low net of 63. And our Low Gross winner for July was Kathleen Garmsen with a score of 83.

Hats off to both of these ladies for their great rounds.

On July 21<sup>st</sup>, Cathie Andel and Cyndie Hawkins hosted our annual Member/Member Tournament. The format was Partner Best Ball and our first place winners were Tina Campen and Carolyn Nelson, with a net score of 59. Bravo! Golf was followed by a delicious deli lunch and, as always, it was a fun day for everyone.

The final tournament for July was the Trilogy Tournament, with the field divided into two 14-woman teams captained by Kathleen Garmsen (Gold) and Cindy Gibbs (Diamonds). The format was 9 holes alternating shot, 9 holes best team ball and 18 holes of match play over two days, followed by dinner and cocktails at the Pinebrook Lake picnic area. Congratulations to Cindy Gibbs and her winning "Diamond" team and many thanks to Marti Figone and Kathy Ganley for their hard work planning the event.

Finally, I would also like everyone to welcome three new members to our club – Shirley McGill, Susan Walsh and Jan Blasquez. We look forward to seeing you on our Wednesday play days!

For those of you who may be new to Sequoia Woods

(cont'd.)

or have been here for years and have considered playing organized ladies golf, please give Cindy Gibbs, our Co-Captain and Membership Chair, a call. She can be reached at 209.606.3089 or [cgibbs4591@gmail.com](mailto:cgibbs4591@gmail.com). We have a fun and welcoming group of ladies with lots of social and golf activities. You can also find information on the Sequoia Woods website, under Golf > Women's 18 Hole Club.

There is still lots of fun to happen in August, with our SWWGC Club Championship rounds on August 10<sup>th</sup> and 11<sup>th</sup> and Team Match Play starting August 18<sup>th</sup>.

## Men's Club News

by Alan Court, President

Shirts - If you are an existing Men's Club member and ordered a shirt for this year, they are now available in the Pro shop.

Four Clubs - Our next tournament is the 4 club tournament, Thursday August 19th. This is a fun tournament where you can only carry and use four clubs. Some drop the putter, using a 3 or 4 wood to putt, others putt using a wedge. Whichever four clubs you chose it's amazing how your final score is generally very close to what you shoot using your full bag. There is a message there somewhere...

Handicaps and Caps - Caps, not hats but handicap caps - are now in place since the worldwide handicap system was introduced in 2020. If you have a handicap cap against your name, you will see a symbol to the left of your name in the NCGA handicap system (see arrow 1 in the screen shot below). There are two types of caps, a "soft cap" and a "hard cap". A "soft cap" will slow the rate at which a handicap increases once a golfer climbs 3.0 strokes above their low watermark of the past twelve months. A "hard cap" will prevent a handicap from increasing more than 5.0 strokes within a year. Of course, if there are exceptional circumstances (i.e., illness, physical setback, etc.), your Board can intervene.

A new term, "low handicap index" (see arrow 2 in the screen shot below) - this will serve as the baseline for the soft cap and hard cap procedures. The low handicap value is calculated each time an acceptable score is submitted and a Handicap Index is updated.

There is no limit to how far a handicap can decrease.

The calculations will be automatic within the NCGA system.

The screenshot shows the USGA Golf Handicap Information Network interface. At the top, there are logos for the USGA and Sentry. Below the logos, there are tabs for POST SCORE, GOLFER LOOKUP, STATS, and HANDICAP. The GOLFER LOOKUP tab is selected. The main content area shows a golfer's profile for "Mr. Jolly Good Golfer" at "SEQUOIA WOODS CC". The profile displays a "HANDICAP INDEX" of 11.3 and a "LOW H.I." of 8.1. An arrow labeled "1" points to the handicap symbol (1) next to the 11.3. Another arrow labeled "2" points to the "LOW H.I." value of 8.1.
