

Sequoia Woods Women's Golf Club

Standing Rules

Updated June 2021

PURPOSE: The Purpose of Standing Rules is to augment the By-Laws wherever change is likely to occur.

DUES: Dues for new members shall be the annual fee. The annual membership renewal fee is \$30.00.

COMMUNICATIONS: An official issue of the "FORECAST" shall be published at the discretion of the Board of Directors to communicate with the members. The Captain is responsible for submitting the articles.

HOLE-IN-ONE INSURANCE: Insurance is available to members of the Women's Club for both home and away hole-in-one eventualities. There are two pots of money available to the members. One is mandatory and one is voluntary for all Women's Club members.

- **Mandatory:** The cost of the insurance is \$5.00 and is only good if the hole-in-one is accomplished at Sequoia Woods. This premium is automatically billed to each member of the Women's Club by the management of Sequoia Woods. It will be added to the cost of the WGANC dues that are billed each year. This fund will cover one drink per person in your group/event at SWCC on the day of your hole-in-one.
- **Voluntary:** The cost of the insurance is \$5.00 and includes both home and away. The premium must be paid in advance yearly with the SWWGC Membership Application/Membership Renewal. The award for a hole-in-one will be \$100. When the fund drops below \$100, a new fund will be established giving all members opportunity to enroll at the cost of \$5.00. The establishment of the new fund may take place at any time during the year.
 1. It is the custom for a member making a H.I.O. on a play day to buy refreshments for club members on the day of the H.I.O. Members who do not accept this tradition should not participate in H.I.O. insurance.
 2. Hole-in-one insurance at home is applicable at any time an attested hole-in-one is made; eighteen holes of golf must be played. Any witness may attest a hole-in-one.
 3. Hole-in-one insurance is applicable on any regulation, USGA sanctioned golf course. An eighteen hole attested scorecard must be turned in.

TOURNAMENTS: Play day at SWCC for the Women's Club is designated as Wednesday. Tee off time will vary with the weather, but it shall be set by the Tournament Chairman. If a member feels the tee off time should be changed, she should contact the Tournament Chairman so that a suitable time can be agreed upon and posted. Entry sweeps are \$5.00 and must be paid for all 18 hole play days and are not refundable if a player does not complete 18 holes. Incorrect handicap use means forfeiture of sweeps, and disqualification. Closest to the Hole prizes will be awarded from the sweeps pool. Typically, there will be a Closest to the Hole award on Low Gross/Low Net days, as well as Sundays. On other play days, Closest to the Hole Awards will be announced and awarded at the discretion of the Tournament Chairman.

All funds collected for sweeps on play days, special events or tournaments must be paid in the form of a merchandise or prize voucher not to exceed a retail value of \$750. Cash awards are not allowed (cash prizes of any amount are a breach of Rule 3-1 of the Rules of Amateur Status). The exceptions are hole-in-one, and year end ringer/birdie awards.

Members will voluntarily contribute to a “Chip-in pot” at the beginning of the “year”. On an official play day, a participating member who makes chip-ins will receive an award from the “Chip-in pot”. The deadline for sign-up is May 15th. Exception: New members may pay when they join. Chip-ins will not be paid when the tournament format is a scramble.

Members will voluntarily contribute to the “Birdie and/or Ringer Board pots” at the beginning of the “year”. All official play day scores will be used on both the Birdie and Ringer Boards. The deadline to sign up is May 15th. Exception: New members may pay when they join. Awards will be presented at the October Awards meeting.

You must be a member of SWWGC in good standing to participate in tournaments. Members who sign up for any tournament that requires advanced sign up such as Sadie Hawkins, Host Sequoians, Women vs. Men, Saturday or Sunday Ladies Play and fail to give at least 24 hours notice of cancellation or are a no show (except in an emergency), will be fined the entry fee for that tournament. The tournament committee will determine what an emergency is on a one-on-one basis. The member must pay the fine before being eligible to participate in another SWWGC event.

For all of our events, we allow the pro shop to post play days and special events at the discretion of the handicap committee.

At the Tournament Chairs discretion from January 1st through May 31st each year the club will play under Winter Rules (Preferred Lies) which means a player may mark, lift, clean and place her ball within 6 inches of its original location, not nearer the hole, through the green. At any other time of year, the club will play Summer Rules unless specified by the Tournament Chairman on the day of play.
