

MEN'S CLUB

Match Play Championship

Qualifying from May 1st – May 31st

Cost: \$20.00* + 18 Hole Green Fees. Pay before your round and notify the golf shop you are qualifying.
*If you think your score is not good enough to qualify you may try to re-qualify as many times as you wish but the fee goes up \$10 each time. Qualifying must be done with another member of the Men's Club to verify score.

When: Qualifying runs through the month of May. You may qualify on any day at anytime during this period as long as you play with another member of the Men's Club to attest your card. Matches must be completed in the following time periods:

Quarter Finals: Month of June

Semi-Finals: Month of July

Finals: Month of August

Championship Flight Final is 36 Holes

All other flight finals are 18 holes

Flights: Players must tell the Golf Shop before their qualifier round which of the flights below they are qualifying for & play the appropriate tees.
The top 8 scores in each flight will qualify for the match play.
Championship Flight: Players qualify and play matches on **Black tees**.
1st Net Flight (9&Below): Qualify and play matches on **Blue tees**.
2nd Net Flight (10&Above): Qualify and play matches on **Blue tees**.
Senior Gross Flight (55&Older): Qualify and play matches on **Blue tees**.
Senior Net Flight (55&Older): Qualify and play matches on **White tees**.

Rules: All matches will follow the **USGA Rules of Golf for match play**. Qualifying scores will determine your seed in your flight with the defending champions getting the first seed in each bracket. Last year's champions will still be required to pay a \$20 entry. Ties during qualifying will be decided by qualifying date (earliest to qualify wins). **If at the end of the designated time period any match has not been completed the pro shop will attempt to schedule the match. If unable to find a time to play within a week of the deadline the pro shop will award the win to the player offering the most availability to play within that week.** For net matches the player with the higher handicap in the match will receive the difference in strokes where they fall on the card.
