

NB LEAGUE 2024

NB League play is open to all North Bellingham Members who are interested in a little competition for some great prizes. We give out more great prizes for our competitions than most other golf clubs & with USGA Handicaps everyone is on a level playing field so why not compete.

When

Wednesdays & Saturdays from Mar 9th - Sept 15th

You can play at any time of the day as long as you are playing with another member that can attest your card. If a club event is scheduled on a Saturday it will take the place of league.

Format is Individual Stroke Play (unless otherwise stated)

NEW THIS YEAR, players can play whatever tee box they want, however, in order to be eligible for the gross payout you must play at least the main tee (blue, except black on Wed before all 4 PGA Majors & Tour Championship). There will be 2 flights based on handicap index if there are 16 players or more.

The competition fee is \$15 (\$10 for Wed. 9 holers) plus applicable green fees.
