

# NB LEAGUE 2022

NB League play is open to all North Bellingham Members who are interested in a little competition for some great prizes. We give out more great prizes for our competitions than most other golf clubs & with USGA Handicaps everyone is on a level playing field so why not compete.

## When

**Wednesdays & Saturdays from Mar 16<sup>th</sup> - Sept 18<sup>th</sup>**

Unless otherwise stated, you can play at any time of the day as long as you are playing with another member that can attest your card. If a club event is scheduled on a Saturday it will take the place of league.

## Format is Individual Stroke Play (unless otherwise stated)

The default or most common format will be individual stroke play from the blue tees however the format may vary on Wednesdays. Seniors (55+) will be given the option of moving up 1 set of tees with super seniors (65+) given the option of moving up 2 sets of tees knowing they will lose strokes & be ineligible for the gross payout. Skins will be all gross by flight unless there is only 1 flight in which case they will be at 50% handicap. If there are 16 or more players there will be 2 flights based on handicap index. Women will play the red tees unless otherwise stated.

## Cost

**The competition fee will be \$15 (\$10 for Wed. 9 holers) plus applicable green fees.**

Optional cash side games will be a \$15 skins pot, \$5 Acey Deucey Killer KP, & sometimes a \$5 Beat the Pro.

## **Earn Points for our NB Stroke Play Championship with a \$15,000 Purse & a \$5,000 Skins Pot!**

This event will be limited to NB Members Only. Entry fee for this event will be based on your final position on the points list with the top finisher getting in for FREE! Earning points will be based on league participation.

## **New \$5 Acey Deucey Killer KP on #16!**

**For an optional \$5 you will be eligible for the following Ace/Deuce/KP Payouts!**

**Ace on #16 wins you \$1,000\* & an Ace on any other hole is worth \$100!**

**Deuce on #16 wins you \$50 & a Deuce on any other hole is worth \$10!**
