Come enjoy a day of golf at **HEIDELBERG COUNTRY CLUB** Where WE do the work and **YOUR ORGANIZATION** reaps the benefits.

Looking for an additional fundraising idea that is fun for your supporters, involves practically no work on your part, costs you nothing to run and most importantly raises much needed funds for your organization? Then we have the event for you !!!

Heidelberg Country Club, the area's premier Country Club is now offering at no cost to you or your organization a way to raise awareness and money for your cause in a fun and stress free way.

Heidelberg Country Club has been running successful golf outings for over 40 years, and now we want to help your organization achieve the same success by offering to host your very own charity golf outing run by our experienced staff.

How it works:

- 1) HCC will help you create the language to be used on your website, in email blasts, and on social media outlets (Facebook, Twitter, Youtube, etc.) to promote the event.
- 2) Your guests will visit our website to learn the event details and how to sign up and pay the entry fee.
- 3) Once we have a minimum of 32 paid registrations, your event is on. All that's left is to enjoy your day and reconcile the event.

Participants = Profits

Simply stated, a \$100 entry fee* for each participant would provide your organization a \$20.00 donation for each player.

40 players = \$800 profit to your organization

60 players = \$1200 profit to your organization

72 players = \$1440.00 profit to your organization

(*an increased entry fee would provide even more profit to your organization!)
