John has directed tennis programs for both junior and adult tennis players for more than 20 years. His background in biomechanics and sports physiology is vital to maximizing efficiency and injury prevention for his students. John specializes in doubles strategy for junior and adult players.

Craig has worked with highly-ranked junior tennis players throughout the mid-Atlantic region. His focus on technique development and tennis specific fitness and movement help his students achieve success in tournament play. Many of his students successfully garner NCAA division I collegiate scholarships.

Michelle spent four years at East Carolina University (2013-17) competing at the NCAA division I collegiate level after playing regional and national level junior tennis. She brings recent understanding of what it is like to compete at the highest levels of junior and collegiate play.
