## Meet The Team

John has directed tennis programs for both junior and adult tennis players for more than 20 years. His background in biomechanics and sports physiology is vital to maximizing efficiency and injury prevention for his students. John specializes in doubles strategy for junior and adult players.

Craig has worked with highly-ranked junior tennis players throughout the mid-Atlantic region. His focus on technique development and tennis-specific fitness and movement help his students achieve success in tournament play. Many of his students successfully garner NCAA division I collegiate scholarships.

*“We train players for success in Tennis and believe that the same principals create success throughout life”*

*“Positive energy brings positive results”*

**Junior Tennis Ages 4-18**
