

ACADEMY GOALS

We train players for success in Tennis and to develop a framework for success throughout life.

Positive energy brings positive results.

Detailed development of technique provides the necessary backbone for any player to reach his or her full potential.

TENNIS DIRECTOR: **JOHN KRATZKE**

John has directed programs for both junior and adult players for more than 25 years. His background in biomechanics & sports physiology is central to our program development creating efficient swings and preventing injury. John always focuses on fun first - especially when working with young players! If a young player enjoys the game, he or she will want to learn. We want your kids to always ask for more tennis!
