

ACADEMY GOALS

Training players for success in tennis creates a framework for success in school, work, and throughout life.

Positive energy brings positive results.

Detailed development of technique provides the necessary backbone for any player to reach his or her full potential.

MASTERS JUNIOR TENNIS PROGRAMS

John Kratzke directs the Masters program to develop tennis players striving for success in high school and tournament play. Players improve technique, movement, decision-making, and point production as pros consistently reinforce goals through a variety of drills and match play situations. Tryouts are required prior to admission.

HOURS & PRICING

Sessions will include fed-ball drills, competitive (move up move down based on results) drills, and match play. Lesson plans will emphasize a variety of the components that create a well-rounded tennis player. Indoor space is limited, so each class will be limited to 12 players. Makeup classes will only be permitted when outdoor courts are playable.
