FLORIDA JR GOLF TOUR JAN 23/24 SAT & SUN

This event will close the course for a portion of each day — Saturday PM/Sunday AM. This event is true to our missions to promote junior golf and extend our brand and reach throughout the state. The kids playing in this event are some of the best in the state!

JUNIOR MEMBER GUEST SPEAKER SERIES JAN 28 6PM

If you have interest, let us know or we will be forced to cancel this event.

NHL Hall of Famer, Don Koharski is our special guest to speak to kids on the topic that is vital to the education of youth; "perseverance". All junior Members are invited and permitted to bring guests. Hockey, swim, football, baseball, wrestling, baseball and other athletic teams are welcome to attend. If a youngster is not an athlete but is inspired by almost anything else...they too will benefit from our speaker's message. This event is not for adults. RSVP is required no later than Friday, January 22. \$20 per attendee covers dinner and donation to "River Hills Cares". River Hills Cares next initiative is show appreciation and thanks to emergency responders that serve our development and general community.

VALENTINE'S DINNER FEB 13 / SAT

FRUSTRATION HAS NO BOUNDS IN BOUNDS

This is hole 13 on Wednesday, January 6. It is clearly evident that someone chose to use the course as a driving range. We have had the same issue on holes 5, 6 and 18. These areas on the course are "in bounds" on the golf course.

This is considered vandalism by management.

If you live on the course and see someone doing this; please call the club. We have management that lives very close to the course that can personally address any violators quickly. Photos may also be taken and shared with us as our staff knows most members.
