## CORONAVIRUS UPDATE

Since March the club has taken all precautions as directed by Orders of Governor along with those mandates issued by Hillsborough County. In fact, we have taken measures beyond what was expected and we continue to do so.

As most know, we were quoted by a state official as being a “poster child” for the precautions that businesses should undertake especially in the spectrum of dining, frontline service staff and high volume public areas. **We continue to do this every day.**

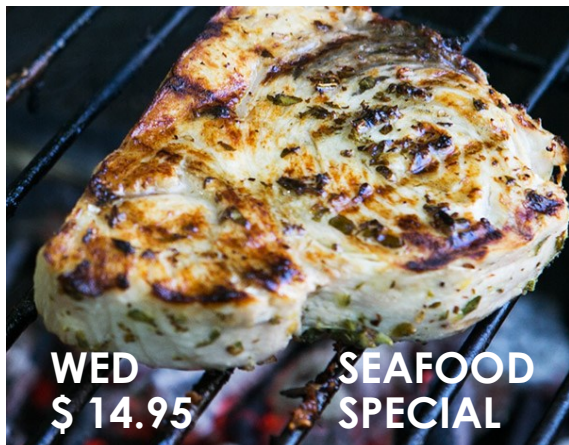

As of September we could have placed 100% of our seating into the dining areas. We have not done that yet. Our seating in main dining areas is approximately 75% so that we may **maintain a safer, healthier and acceptably distanced experience for all.**

We have continued the application of electro-static sprays to the entire interior of the clubhouse on a weekly basis. We continue to have frontline service staff wearing masks. Masks for Members is optional/personal choice. We continue to clean high touch points throughout the day. Hand sanitizer is available at the front entrance and at the restroom entrances. Hand wipes are provided to diners both before and after seating.

As we begin each new phase of our missions on the road back to setting new standards and progresses we continue on our quests to not only succeed; but to go above and beyond expectations. The March 2020 edition of The Current focused on “change” and was ironically written in February. A point was made that **“change turns new into old again”**. In our mind, “old” refers to a return to new normalcies to which we stay ahead of the curve.

**SAFE. CLEAN. GOOD. FUN.**  
That is our promise to you.

TEAMING UP WITH RIVER HILLS CARES  
TO SUPPORT THEM IN A YEAR OF NEED

## FRIDAY, NOVEMBER 20

### Dear Members:

The club is the host for this benefit tournament. This is an opportunity for hundreds of our Members to get involved through business support, sponsorships and entering a team.

Many of you have children at LPES. We especially hope you will join us in thanking the entire staff at the school. Our plan is to host a luncheon and offer a ll a gift certificate for the holidays they can use during the holidays.

We anticipate the majority of players will be resident golfers. This is a great chance to get out in front of your neighbors to for you market insurance, tax preparation, real estate, medical services, restaurants, financial services, childcare and other business you may own or work for in our area.

This additionally helps build the culture of River Hills as a community.

Teachers hold our futures in their hands with the education of future leaders. We think they deserve some thanks; especially this year!

**RIVER HILLS CARES** goal is to raise funds to offer Lithia Springs Elementary School staff a holiday luncheon with special thank you gifts. 100% of the netproceeds will go towards this effort.

**RIVER HILLS CARES** was able to donate over 1,000 meals to professional healthcare teams at two hospitals last spring. This effort was lead by the great generosity of our giving membership.

**RIVER HILLS CARES** is a mission of outreach by River Hills Country Club to give back to our local community. The vision of River Hills Cares is to recognize, thank and offer support to those that care, serve and protect the needs and services of River Hills and our general community.

*DETAILED INFORMATION IS  
AVAILABLE IN THE GOLF SHOP.  
THE SEPTEMBER EDITION OF THE  
CURRENT ALSO HAS THE SCHEDULE  
AND FEES. THANKS FOR YOUR  
CONSIDERATIONS.*
