ANNOUNCEMENTS

## Special Announcement Clubhouse Parking

We know that many will be hosting family and friends to their homes next week for the start of the holiday season. Because of the rules within the community; residents cannot have added cars parked on the streets overnight.

We have a temporary solution for you. It is for a very limited time. It will also require a tiny bit of work on your part. We will offer added parking for up to (2) cars for overnight parking starting Tuesday night, November 24 through Saturday night, November 28 (5 nights). There are some rules.

The link below will offer a printable PDF. This form will allow you to fill out the information and then print it. Once that is done; bring it by the club office. A manager will sign it and copy it. That copy will go on the dashboard of your car. Parking will be offered in the parking lot nearest the basketball courts and behind the golf car storage facility.

### RULES / POLICIES

1. You will acknowledge the club will bear no liability or responsibility for your vehicle or any contents.
2. Cars must be removed from the parking lot each morning by 9:30AM.
3. If a car is parked in the parking lot for two consecutive nights without an authorization; it will be towed at the owners expense.

## Tee It Up For Teachers Today, November 20

Our goal for RIVER HILLS CARES was to generate net proceeds to offer a \$100 gift card and a free lunch to every staff member at our nearby Lithia Springs Elementary School that serves not only River Hills kids, but also in the surrounding communities as thanks for their dedication to children during these uncertain times. We fell short, **BUT.....we will be offering a lunch and a \$50 gift card to all of them in early December.** We want to offer special thanks to those that did help the cause.
