It is important to remember that the pool is an amenity for all to enjoy as permitted. Any abuse, negligent actions or behavior that is disrespectful to other members, guests, staff and the facilities best interests will not be acceptable.

During the year, management reserves the right to close the pool complex for special events whether club sponsored or rentals to member sponsored functions or outside entities. Social events and holidays may also have added or higher fees for guests.

The pool complex is very similar to the golf course, tennis courts and dining facilities in that club management can alter, modify, change or close hours of availability, fees and privileges.

RHCC is not responsible for any private articles lost or stolen. Any articles returned as found will be stored in the tennis/pool complex for 2 weeks, then transported to the administrative offices for 2 weeks then donated thereafter.

River Hills has a long history with TBAC. Many youth have benefitted by swimming on teams and taking swim lessons. RHCC will continue this relationship with TBAC through 2022. TBAC will have exclusive use of the pool complex at the following times during the year. Members that desire to swim laps prior to 11:00am may do so with the team.

It should be noted that TBAC pays for the heating of the pool and remits a monthly fee to RHCC for use.
