upfront

COMING TOGETHER IS A BEGINNING;
KEEPING TOGETHER IS PROGRESS;
WORKING TOGETHER IS SUCCESS.

HENRY FORD

BEGIN. PROGRESS. SUCCEED. SURPASS. BEGIN...

One year ago when the HOA purchased the amenities, the club staff immediately focused upon a wide variety of missions. Each of these required a **baseline** of values and missions that melded the managers and the teams of departments to truly care and focus about our customers: Members, guests, vendors, our families, community and the team themselves are all customers of all of us. The theory is simple: everyone we come in contact with at all times is a customer of some kind whether past, current or future. Treat all equally, fair and well is something we strive for on a continual basis.

This happened very quickly as staff jumped into huge adaptations, modifications and altered needs of leadership, management and operational needs during the various clubhouse renovations that literally started the day of the purchase. At that time we needed staff to perform functions not typically associated with their positions for painting, cleaning and landscaping. That by itself started the next phase of coming together as a larger team and ready to take our next steps of redefining the processes and doing it together in lock step. We still do this as we believe there is “no such thing as it’s not my job” and this solidified a foothold, foundation and start of **progress**.

When much of the progresses we made were gelling together in just a few months after reopening, the unfathomable needs of much greater proportions were brought on by the pandemic. The team had already come **together** once in a “all hands on deck” period and were now prepared to confront these challenges head on and have done so with as much success as could be expected and in most cases have gone above and beyond to exceed expectations and rules placed ahead of us. So much so, an inspector of compliance for Florida referred to us the “poster child of exceeding compliances”. From the very onset of these seemingly daily changes the team continued to progress and is now setting for the bigger stages of our 2021 plans to ensure the club offers an inviting and enjoyable experience through distinctions of higher qualities and increased value resulting from more dynamic perspectives with inclusion and infusion of the culture that the membership is building through support as needed so we **succeed** in progresses of greater standards.

Over the year we have seen a renewed trust and growth of the membership via utilization. That unity has kindled the unity of the overall culture of the club internally and externally in the market. That trust and respect of membership, team and community continues to grow and that is measurable **progress**. Our membership continues to grow in the worst of times because of constant new beginnings and progresses we all yearn. Crisis breeds opportunities.

2021 will be different regardless of our current space in time or future uncertainties. As we grows the club the team stays focused on progress and creating new successes. These successes will continue to mold and grow the culture with results that create new beginnings continually **That is true success**. We want new beginnings, progresses and successes. As always it takes patience.

Margie Martin | Membership Director

Happy fall season to all. It is time to gear up for many events we have planned for you in the next 90 days. We have been very active with the Social Committee in designing some new events that we all believe many will be interested in attending. If you have any ideas of functions, classes, programs or any other individual small groups you would like to see; please contact me.

We are just coming out of our Sponsorship Pays Program that gave Members an opportunity to refer new Members and gain rewards and incentives. Accolades go to the Membership Committee that were exceptionally active in not only bringing new referrals but also being the Ambassadors of the initiative.

Special thanks go to individuals that were very influential in its success. Angie Piche on the Tennis Committee and Dennis Lipnicky were hands down the biggest supporters of the program.

The Sponsorship Pays Program resulted in over 50 new or upgraded Members. This is how dynamic growth happens when the membership seeks to develop the culture of the club by personal referrals and networks.

There are now two other membership growth initiatives currently active. The club is reaching out into the FishHawk, Valrico and Brandon areas with incentives to join before the end of November. This is a very important third stage before we plan to collect initiation fees from all new and upgrading memberships in 2021. If you have friends that were not ready to join over the previous year; now would be the best time to alert to save for a limited time this month.

Another initiative is the next phase of the 2020 Sponsorship Pays Program. The GPS membership has grown organically since its inception. This new concept has proven to be a great option to many that simply want a great practice facility with abilities to play during off-peak times, on a schedule that still fits their lifestyle at a great and fair rate.

This program was intentionally designed to be relevant to today's society and a worthy first step for some to "test the waters" before joining as full Members.

We also believe our success stems from who we are as a club...inviting, distinctive and dynamic and more so than other options in the market. Who are we?

- Only club with regular dinner nights
- Only club with a 24/7 fitness facility
- Only club with a renovated and newly decorated clubhouse
- Only club with diverse programming for kids, families and adults.
- Only club with a tennis professional on their club staff
- Only club that has a reciprocal partnership with The Tampa Club.
- Only club that supports and hosts 3 high school golf teams
- Only club that offers food products and services surpassing local restaurants
- Only club that has active committees
- Only club with kids play areas
- Only club with (8) Newly surfaced Har Tru tennis courts
- Only club with junior golf and tennis clinics for kids all year round
- Only club with active fitness groups for kids and adults
- Only club with a dedicated Membership Director...had to throw that in there!

As you can imagine, we truly believe that we are the place if you seek a full range and wide scope of activities for everyone in the family. *And to think — we still have not met some of you that live here in River Hills! We would really like to have you visit even if its to just look around at what has happened in the last 12 months. Always feel free to come over and just look around!*

2021 is going to be a big year. It is the year where we know with absolute surety that we are one of the "best in class" private facilities in Tampa. Patience is starting to pay off.

NOVEMBER 5-7, 2020

The premier golf event at any club is the annual Member-Guest tournament. Our goal is to make sure our event is one of the most memorable and fun events that our Members and guests enjoy every year. It is limited to 48 teams.

This event is open to Full Golf Members. Guests may not be any other Member category of the club as this extravaganza is intended to "show off" to guests on behalf of their hosts.

Invitations have already been delivered. We will accept the first 48 teams. The cost per player is \$299.50 plus tax.

It includes:

- Thursday Night Dinner & Beer
- Friday and Saturday breakfasts and lunches
- Favor package per player valued at \$200
- Kegs of beer during matches on Friday and Saturday and Wednesday night
- All guest and golf car fees
- Thursday Night games & prizes
- Prizes for over half of the field
- Spouse / Guest luncheon on Saturday

Dress is casual all week. Dinner is optional on Friday night from 6:30 - 8:00 with reservations made at registration.

This event closes the golf course, practice areas and food & beverage for the entire event.

Teams that finish with the most points will be entered into THE SHOOTOUT on Saturday afternoon.

Entries are open now and close on Friday, October 30 at 5:30PM.

This event is promised to be one that rivals any in the area and will make our Members proud of the club, course, staff and value.

If you have any questions; let our Golf Shop staff know soon as the field is limited!

The Golf Shop will have a limited number of start times available at other clubs for those not playing. Start times requests for other clubs will be for Full Golf Members only. No guests. Only one start time per Member Thu - Sat considered.

greenspace

It's hard to believe that it has been a year since the transition. After a year we are grateful for many things. The membership has been very patient during the year. And with Surf N Turf nights it has shown the membership truly cares about the future. When we started this adventure the amount of fruit that was low hanging was immense. Being that we were entering fall and winter there were many of those that could not be focused upon because of dormant grass season approaching. The dry winter and spring also exasperated our attempts to kill and eliminate weeds with an inferior irrigation system at that time.

Last December we outlined our plan of attack in regaining control of the poor conditions from years of neglect. The first phase was to concentrate on areas "in play"; specifically greens, fairways and tees. Next came the roughs and trees. The third phase is coming soon once the grasses go dormant once again.

Winter months will allow us to start much of the detail work still needed. Bunkers, woods, cart path demolitions and more.

We will not be overseeding any turf areas this year. The turf stands we have started training are not strong enough yet to handle a transition in the spring. The new turf on the driving range is still in infancy in digging deeper roots. We will be dying fairways, tees and greens for visibility and aesthetics.

We need your help during the winter months — honestly it would be great to get your help all year, but especially in the colder months. All golfers can help by:

1. Fixing any ball mark you see
2. Pour sand into all divots. Bare areas are weed nurseries when bare.
3. Use the rough for travel as much as possible to reduce compaction.
4. Practice tee - use "divot striping" method to help recovery in spring

Thanks again for your help. We are well on our way to once again being a course standard as "best in class".

Shane Turi House Manager thehouse

There are many opportunities to visit the club this month. Seafood Nights joins the schedule along with Kids Eat Free and Prime Rib Night. Add the Scotch and Steaks, Kids Pumpkin Sundae, the Rumble, Gals Golf Night, Oktoberfest, Tennis Social, Couples Golf, Women's Member Guest, Club Championship and Trivia Night. Your support of small business is always appreciated.

Our staff is committed to your health and safety. Cleaning and sanitation are a constant focus by staff and vendors. Weekly electro-static disinfecting, sanitizers availabilities throughout the clubhouse, hand wipes before and after meals, masks on front line service staff, staff temperature controls, high touch area disinfecting, measured and monitored protocols of seating, limited interactions when possible.

Upon completion of the final round, we will announce the grand prize for the winning village. The prize will be awarded in 2021 at a special event.

WEDNESDAY, OCTOBER 21 6PM
TIMBERMILL VS. MAGNOLIA PLACE VS. SANCTUARY

This is the last round of the Village Trivia Challenge for 2020. The winner of this round will face off with our other round champions to compete in the 2020 VILLAGE TRIVIA CHAMPIONSHIP to be held on Wednesday, November 18. The seven villages will each be offered 8 chairs that will enable 56 total players. An Italian Dinner will be served for \$15++ per player. Winning villages will be alerted via BABBLE, FACEBOOK and a NEWS FLASH. Seats will be reserved on a first come - first served basis for each of the villages starting October 22.

RIVER HILLS CC ALIANCE

Membership Has Privileges

Membership at River Hills provides you with reciprocity at the Tampa Club. You're invited to enjoy the amenities of the club for dining and special events. To arrange a visit or a reservation, please contact the Tampa Club at 813-229-6028 or email them at rsvp@thetampaclub.com. Identify yourself as a Member at River Hills and they will verify your privileges. Some functions and events are exclusive to their Members.

Location

Perched high above Tampa in the heart of the downtown area is the Tampa Club - the business and social club favored by prominent Tampa families for four decades. The Tampa Club has a progressive reputation, standing out as unique and dynamic in a community with many options for gathering spaces. We are a replacement for your office, where your workday can continue or seamlessly into a retreat to reflect, relax and renew.

Dress Code

The Tampa Club's dress code exists to promote a comfortable environment befitting a business club where members entertain socially and professionally. The dress code is in keeping with the spirit of the club and best serves the majority of its members. While traditional business attire is always appropriate, business casual attire is also welcome. Nice denim is permitted in the Club. The following is not permitted anywhere in the Tampa Club: T-shirts, bare midriffs, flip flops, shorts, athletic attire. It is the responsibility of attendees to know the dress code.
