Membership Application

The Mississippi Turfgrass Association is a non-profit organization of individuals interested in promoting and expanding the turf and landscape industry in Mississippi and surrounding states. The objectives of the organization are to:

- ❖ Promote quality turf and landscape management.
- ❖ Disseminate information and educational material on turf and landscape culture.
- ❖ Sponsor needed research, scholarships for deserving students, and conferences on timely topics.
- ❖ Cooperate with other organizations in advancing educational opportunities in turf and landscape management.

Any individual interested in the advancement of turfgrass or landscape management is invited to join the organization. This includes professionals in golf course and grounds maintenance, sod and seed producers, landscape contractors, landscape architects, horticulturists, agronomists, nurserymen, educators, athletic field managers, park managers, and representatives of manufacturers, wholesalers, and retailers of turf and landscape equipment, chemicals, and supplies.
