Making a New Request:

- Select the Play Date at the right of the screen.

- Click on the **PLAYER INFO** tab to put players on the court. A new screen appears. You are always the first player, the captain of the court, so click on the **Tennis Racquet to** enter yourself first. For your other players, click on the **Tennis Racquet** to search by a player's last name. Enter the first few letters, then click on **SEARCH.** A list of players will come up. **Check the box** next to the correct player's name. It will automatically fill in the name.
- Repeat for players 3 & 4.
- When you have all players, click on **SUBMIT.** A new screen with your confirmation number will appear.

Changing a Request:

- To change the time, date, or players, go to **REQUEST > Edit Request.** All your requests will appear.
- Click the confirmation number to select the request.
- The **COURT TIME INFO** screen appears, and you can change date or time here.

Buddy List:

Adding members to your Buddy List will save you from searching for them each time you make a request.

- On the bottom of the PLAYER INFO screen, check the box Add to Buddy List to add the players on that request to your list.
- You can check who's on your Buddy List under the **PROFILE>Buddy List** tab on the right of your screen.

To Start Over or Check That Your Reservation Went Through

- If you make a mistake on a reservation and want to start over, go to the **MAIN** tab>Welcome on the left of your screen.
- This page shows your pending requests on the left and your upcoming court bookings on the right.
- Start over with a new request if you don't see yours listed.
