We are happy to recommend a menu for you or you may create something on your own. Themed menu's make for a interesting and memorable dining experience as presentation is of the utmost importance.

# Event Signage, Insurance & Special Events

Each event has many different needs. From Tee Signs, Hole-In-One options and Special Events, Westfields has access to many vendors that will be able to cater to them all. We can provide you with a list of those whom we feel are the best. The day of your event we will set up and place all your signage throughout Westfields. Whether it be on specific holes or around the clubhouse alleviating one more of the many stressful things you have to do the day of the event.

## Bag Drop

As your players arrive our staff will collect their bag from them at our bag drop. We will tag their bag with their name and transport it down to the appropriate cart. We will then direct them to the proper place to park and where to go for registration.

## Registration

Generally located on the front porch of the clubhouse, registration will be a focal point as your guests arrive. With both sides of the walkway available, you have space for check-in as well as any tee gifts, raffles or mulligans you would like to give away or sell. A wonderful place to start the event, registration will lead your guests throughout the clubhouse for any needs they might have prior to a great day on the course.

# Raffles & Silent Auctions

Having a raffle or silent auction is a great way to generate revenue.

Depending on your events needs, we have plenty of space for your event to work. Choosing the lobby, grill room or the deck, all places will provide more than enough space for your needs.

Golf merchandise can make a great silent auction or raffle gift, we can help point you in the right direction.

# Putting Contests & Announcements

## Announcements

Once all the pre-event activities have been completed, our deck is a great focal point to make announcements. Standing 25 feet above the golfers you will have an opportunity to welcome all your guests and make any announcements that you would like. Following your announcements our staff will go over the rules, format of play, and any other information your guests need to enjoy a wonderful day.

## Putting Contests

A fun way to start off the golf tournament is with a putting contest. Whether it be the Standard contest, Mega Putt or a Helicopter Drop it's a great way to gather all participants together before a great day on the golf course.

# Awards Ceremony & Reception

Following golf, your group can gather in our wonderfully renovated Grill Room or Pavilion. Both are perfect spots to finish off what is sure to be a delightful day at Westfields. Both spaces provide plenty of space for events of all sizes and will surely have all your guests leaving with a smile on their face.
