Grip, Aim, Stance, Posture

Building a swing—Hinging the golf club

Turn and burn—How to hit it LONG!

Why so many? - What are all the different clubs used for?

Short game—The most important thing to lower your score

Putting—How to become a GREAT putter

Special shots—No more fear of sand

Etiquette—How to act on the golf course

Rules—They really are there to help you!

Fee—Camp 1 \$150 Camp 2 \$100

You can attend either or both camps. As these are fundamental camps, the itinerary for both is the same.
