

New GGCSA Foundation is Unveiled

GGCSA announces the formation of the Georgia Golf Environmental Foundation (GGEF). The foundation was created to advance education and research in the field of turfgrass improvement and management.

The immediate past president of GGCSA, Wade Thomas, GCS (Idle Hour Club) will serve as the chairman of the Board of Trustees. Chuck Underwood, CGCS will serve as vice-chair; and Mike Waldron, executive director of the GSGA, will serve as secretary. Also serving on the Board of Trustees is Mark Snyder, CGCS; Richard Staughton, CGCS; Harold Franklin, GCS; Mike Crawford, CGCS; Anthony Williams, CGCS; Ken

Mangum, CGCS; Mark Esoda, CGCS; Dave Coursart, Georgia PGA; Jim Collins, Georgia CMA; and Tenia Workman, GGCSA.

Georgia's Governor Announces State Boards and Commissions Appointments

Georgia Golf Hall of Fame Inductee Ken Mangum CGCS, 51, Cumming. Mangum is the Director of Golf Courses and Grounds for the Atlanta Athletic Club. He serves on the University of Georgia College of Agricultural and Environmental Sciences Advisory Board and previously has served on the Board of Directors and as Tournament Committee Chairman for the Golf Course Superintendent's Association of America. Mangum was a member of the American Golf Team that won the 1999 Hayter Cup and teamed with William Shirley to win the 1st Annual Georgia Turfgrass Foundation Trust Tournament in 1991. He received his

associates degree in Golf Course Operations from Lake City Community College and is a Certified Golf Course Superintendent. He and his wife, Pamela, have three children.

Georgia Golf Hall of Fame Inductee John Reynolds, 64, Augusta, GA. Reynolds is currently the Vice President of Global Business Development. He is retired from a private neurological practice and served as a Major in the United States Army Medical Corps. Reynolds serves on the board of the Georgia State Golf Association and has served on various committees of the United States Golf Association. He is a member of the Golf Collectors Society of America and serves on the board of the Georgia Junior Golf Foundation. Reynolds received his undergraduate degrees from the Citadel and an M.D. from the University of Georgia School of Medicine. He and his wife, Harriet, have two children. ●

This is one sedge too many.

Introducing Monument™, the first post-emergence herbicide effective against all major sedge species in zoysiagrass and Bermudagrass. With Monument you also can obtain optimal overseeding transition.
